## *Same Song, Next Verse*

Each fall the members of a school gather similarly to an orchestra. And just as the concert group tunes its instruments, so do the students blend their efforts to create a song of discord or harmony. The melody and lyrics may change each year, but the basic beat of high school stays the same. Measure by measure the tempo mounts to full swing. It is in the spring that the symphony reaches its climax, its finale. Then the halls are emptied. We find the song is ended--but the memory lingers on. There is only an echo of the haunting refrain--notes of recall pull at the heart strings:

1964-'65 never sounded a minor key,  
But had overtones of joy and gaiety.  
There were loud notes of bonfires,  
dances, and the carnival,  
Happy notes of clubs, shows and  
games of ball.  
The pace slowed down with holds  
and rests,  
As we swapped the gay rhythm for  
homework and tests.  
The teachers, like conductors, kept  
us on the beat,  
But through high notes and low notes  
we "accomplished the feat"!

But now the concert is over. The players and instruments are gone away. We can never re-live the moments, except as we replay sweet notes of recollection through this album of memories. Then in the echo chambers of our hearts we can enjoy again the few brief years we harmonized at ole' Wall School.

## *Our School Song*

Oh, hail to the green and the white,  
 Wall will forever fight,  
 We are proud to carry our name,  
 For the Hawk is our emblem of fame.  
 We acknowledge our school with pride,  
 That never within us has died,  
 We will fight for the right of our  
 School, Ole Wall High, over all  
 We will rule.

Our hearts grown intense with a light,  
 As our team marches forth to fight,  
 They are brave, they are bold, they  
 Are strong,  
 And they'll roll our foes along.  
 We extend our reign o'er the fields,  
 To our foes we will never yield,  
 We will boost our team with our  
 might, On to victory! On to victory!  
 We will fight!

# *We Dedicate . . .*

To one who has helped each one of us,  
From school supplies to driving a bus;  
Your kind understanding, guidance, and cheer,  
Is always apparent when we see you near.

When school parties are brewing, we turn to you,  
You are willing to help us in whatever we do;  
This dedication certainly fits,  
To you, our friend, Mr. Paul Itz.

I'm Reddy Kilowatt, and I live the best kind of life of all! My life is good because I'm always welcome . . . wherever I go. That's because all I know how to do is help

people do things. Like make ice cream. Or run the vacuum cleaner. And light a city. I go to work for you at the flick of a finger on a switch. I'm your personal genie, and I like my work!
